Information and Format for the 14 and Under Division

COACHES: YOU must verify and sign your roster prior to competing in your first match of the event (the site director will give you a copy of your roster to verify). No changes will be allowed after you begin play. Coaches are also responsible for making sure that all players and spectators associated with their teams know and understand the facility rules.

10 teams will compete for 4 bids. Great Lakes HAS been notified that we have been given an EXTRA National Division Bid!

2 National Club Division bid will be awarded to the 1st and 2nd place finishers and 2 American Club Division bids will be awarded to the 3rd and 4th place finishers.

**Format: all matches (unless noted on schedule) will be 2/3
(25 pts, 3rd game to 15 – NO CAP)
Warm-ups for all matches will be 3-3-3-1**

Coaches are to work as the R2 when their team is officiating on at least 1 court when their team is scheduled to work.

An Athletico Trainer will be available at all sites- those wishing to be taped prior to competition should supply their own tape and pre-wrap.

Saturday: Pools will consist of two -5 team pools played across 2 Courts. *(Teams will be responsible for covering 2 courts for their work assignments- it is recommended that you have 2 adults present to can the R2 job . It is too important to put a 12 and under athlete in this position unless it is absolutely necessary. If your team is short handed to cover 2 full work assignments- ask if a parent could sit at the scorers table to do the flipping.)* The top 3 teams from each pool will advance into the Gold Division. *Those not advancing are finished for the event.* Pools play will start at 8:00am. Doors will open at 7:00am. **DO NOT ARRIVE PRIOR** to 7:00am.

NO OUTSIDE FOOD or COOLERS are allowed to be brought into the facility. Leave your lunches and snacks at home or in your cars. **ONLY Water and Sports Drinks in re-closeable plastic bottles** will be allowed to be brought into the facility. **Spectators and players found in violation of this rule will be will be charged a \$25.00 fine which will be billed to the Club at the end of the event.** Players and spectators are responsible for cleaning up after themselves both inside the building as well as outside. Teams choosing to eat outside need to make sure that they pick up all trash before returning to the building. *(You would not want someone to come to your house and leave trash laying around so we expect everyone to treat the facility and grounds the same way they would treat their own homes.)*
